Bartram Trail High School

Mission

Bartram Trail High School Academies provide engaging and relevant learning in a supportive and nurturing environment. Through a focused curriculum, students build long-lasting relationships, gain character and confidence, and develop a sense of community.

What is an Academy?

An Academy is a small learning community comprised of a cluster of students who have some of the same teachers for at least three years and who share several classes each year. An Academy combines a college-preparatory curriculum with a career theme. An Academy promotes partnerships with employers. An advisory group for the Academy includes representatives from the local employer community, Academy faculty, and the school district. Current business partners are: Citi Smith Barney; CIT; First Bank of Jacksonville; Regions Bank; RT Publishing, Inc.; Seaton Financial Advisors, LLC; and VyStar Credit Union.

Programs of Study

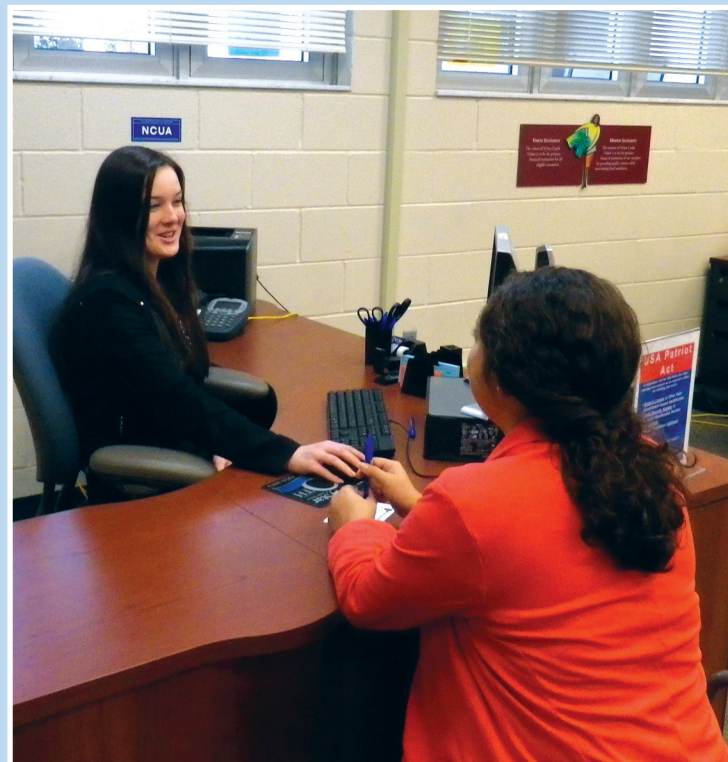

There are three programs of study within the Academy of Business and Finance. Each program includes four years of coursework.

Finance:

Career Academy students will acquire foundational knowledge and skills for entry-level positions in the field of business and finance. Courses include: Accounting 1 Honors, Accounting 2 Honors, and Personal Finance DE.

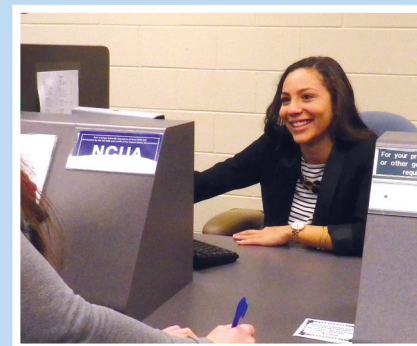

Entrepreneurship:

Career Academy students will acquire the fundamental knowledge and skills required to operate a business. Students will progress from the conceptualization of a product to marketing and, eventually, distributing a product and running the school store. Courses include: Principles of Entrepreneurship, Business Management and Law, and Business Ownership DE.

VyStar Bartram Trail Branch

The goal of the high school branch is to help students learn responsible financial skills to build a successful financial future. The student-run branch features its very own Bartram Bears ATM Card and will provide fellow students VyStar Visa® Check Card applications, check cashing, savings accounts, and other services.

Welcome to VyStar Academy of Business and Finance Bartram Trail High School. VyStar Credit Union has grown to become one of the largest credit unions in the nation, with more than 500,000 members worldwide. As a not-for-profit financial cooperative that extends membership to all those who live and work in Northeast Florida, VyStar is committed to serving its communities. We are honored to partner with Bartram Trail High School in establishing VyStar Academy of Business and Finance. The people of VyStar realize the importance and benefits of developing a solid financial and business foundation at an early age — it only makes sense that they broaden their commitment to represent this valued community activity and educational venture.

We never forget that it's your money.
