

AVID Student Application (1 of 8)

Dear Family,

The AVID Elective is a 6th through 12th grade component of the AVID Secondary System that prepares students in the academic middle for admission to a four-year college or university. Students take an AVID Elective course throughout middle school and high school that provides them with the skills needed to be successful in advancing academically with the ultimate goal of attending college. For more than 30 years, AVID has been instrumental in preparing students for success in higher education.

The core component of the AVID Secondary System is the AVID Elective, which supports students as they challenge themselves in more rigorous classes. Students are taught study skills, note-taking, time management, writing skills, and research skills, while being immersed in a college-going culture. The class also includes tutoring sessions that are led by college students and provide support for success in the academically rigorous curriculum. Additionally, the AVID class provides access to information about colleges and universities through field trips, guest speakers, college tutors, scholarship opportunities, and college admission requirement information.

AVID recruits students who are motivated to do well and who are serious about their academic future. Based on grade point average and state test results, we feel that your child is an ideal candidate for the AVID Elective and has been selected to participate in the recruitment process. Please complete the application, family information, and short answers on the following pages to help us better know your child and family circumstances.
