Sponsorship Packet 2016-2017

Bartram Trail Bears Baseball Supporter

We would like to thank you for your time and consideration in becoming a supporter of the Bartram Trail Baseball Program. As a program, we understand that without the help of sponsors, our baseball season would not be possible. This year we are asking for your help as we hope to improve our baseball program in a few areas. With your donation, your name/business will be recognized by the Bartram Trail Baseball Program in our game day programs, on our website and announced at every home game as a supporter along with tickets to any home contest, sponsorship of a home Varsity contest, a hat and Bartram Trail Baseball T shirt. All donations are tax exempt.

Since our inception in August 2000, the Bartram Trail Baseball Program has endured a great deal of success both on and off the field. The foundation of the program is built upon the core covenants of Humility, Thankfulness and Servanthood. We are committed to involvement in the community by helping others and volunteering at local programs such as Creeks Baseball Club camps and Field of Dreams. In 15 years of existence the Bartram Trail Baseball Program has surpassed 240 wins as program and has won 3 District Championships and 5 Conference Championships. Bartram Trail Baseball continues to be one of top programs in North Florida, most recently winning the 6A regional championship. In 2015, the Bartram Trail Baseball Program made it to the 6A State Championship game where we finished as the Florida 6A State Runner-Ups.

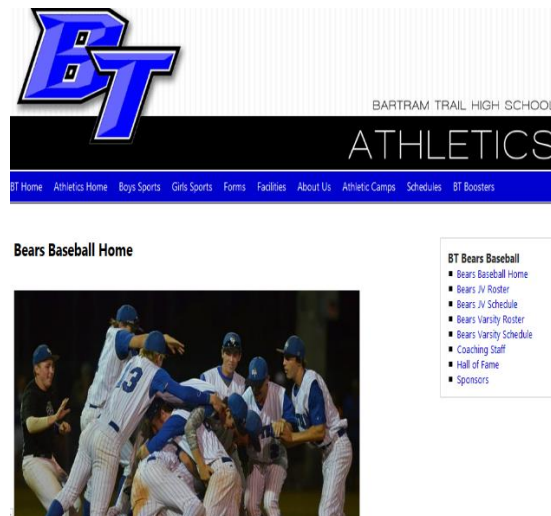

What will your sponsorship help with?

Every year we our goal is to provide our Student-Athletes with the safest and best opportunities to be success and grow as individuals. We need your help to continue to provide these opportunities through various ways. In the past few years the Bartram Trail Baseball Program has been able to make some on facility upgrades. New windscreen and a state of the art Scoreboard went up in 2014 and 2015. With these improvements we are continuing to look for ways to provide a great experience and safe atmosphere for everyone. We also need to raise money to improve the equipment we currently have such as baseballs, helmets, rakes, attachment pieces for our field equipment, infield conditioner, renovating our bullpens and other areas around the baseball complex.

Any contribution will help us achieve these goals and we are thankful for any help you give to our program. Here are some future and current projects we have:

Projects/Annual costs	<u>Expense</u>
Back Stop Renovation	\$12,000
