## *Bartram Trail Basketball Program Supporter-*

We want to thank you for your consideration about becoming a sponsor this season. Without your help, and all of the community supporters, our season would not be as successful. This year we are asking our business supporters to make a donation to our basketball program (explained on following pages). We have a very unique way of spreading your business to the community with our new Digital scorer's table which will be on display in our gymnasium.

Over the past few years the Boys and Girls Basketball programs have reached unparalleled success. The boys and girls teams have become well known in Jacksonville and the state of Florida for their success on the court. The Boys team has won four straight District Championships as well as back to back St. Johns River Conference championships. The Lady Bears have reached the final four in Lakeland two times in the past four years and have made deep playoff runs consistently over the last six years.

With your help and continued support we are able to provide our athletes the best resources possible to achieve success:

- Shooting Machine (Shoot-away The Gun)
- Sideline Chairs for Games
- Travel Expenses for Holiday and Summer Tournaments
- Equipment
- Boost Digital Display Table
- Team Building Activities
- Practice Gear and Warm-ups
- College Level Film Breakdown Program
- Community Service Projects
- End of Year Banquets and Post-Season Awards

We want to personally thank you for your generosity and support of our program. We look forward to seeing you at our games and doing business with you in the future. Your financial backing fuels every aspect of our program, ensures our ability to succeed and will be great for your business.

Thank you for your time and continued support,

Jacob Teuscher  
Head Girls Coach

Jeremiah Teuscher
