The yearbook staff would like to remind everyone that all sales for yearbooks end this week. For those who would like to pay with a check, there will be a sale on Thursday, December 1st during all lunches outside of the cafeteria. The online order center is open 24/7 for those who wish to pay with a debit or credit card. The center will close at midnight on Friday, December 2nd. If you are not able to pay the entire \$95 at this time, you can secure a book with a \$25 check deposit at the Thursday sale and then make payments throughout the course of the year. Please do not pay with cash; check or money orders only. The final count for books must be made after this week, and there will NOT be extras ordered. Please see the yearbook web page for the link to the order center as well as important information and reminders. Please email Ms. Irwin with any questions, and again, please note that this is the final week to order.
