Nursing services are recommended for this student during the school day.

IMPORTANT: Asthma inhalers and/or antihistamines cannot be depended on to replace epinephrine in anaphylaxis.

THIS SECTION FOR PARENT/GUARDIAN TO COMPLETE:

As the parent or guardian of the student named above, I request that the principal or principal's designee assist in the administration of medication/treatment prescribed for my child.

I understand that under provisions of Florida Statute 1006.062, there shall be no liability for civil damages as a result of the administration of medication when the person administering such medication acts as an ordinarily reasonable, prudent person would have acted under the same or similar circumstances. I also grant permission for school personnel to contact the physician listed above if there are any questions or concerns about the medication. I have read the guidelines and agree to abide by them.

I authorize the physician to release information about this condition to school personnel.
