ASTHMATIC STUDENTS: POSSESSION OF INHALERS—Florida Statute 1002.20

Florida law states an asthmatic student may carry a prescribed metered dose inhaler on his/her person while in school with approval from his/her parents and physician.

The above named child may carry and self-administer his/her metered dose inhaler.

Nursing services are recommended for the care of this student during the school day.

THIS SECTION FOR PARENT/GUARDIAN TO COMPLETE:
As the parent or guardian of the student named above, I request that the principal or principal's designee assist in the administration of medication/treatment prescribed for my child.
I understand that under provisions of Florida Statue 1006.062, there shall be no liability for civil damages as a result of the administration of medication when the person administrating such medication acts as an ordinarily reasonable, prudent person would have acted under the same or similar circumstances. I also grant permission for school personnel to contact the physician listed above if there are any questions or concerns about the medication. I have read the guidelines and agree to abide by them.

I authorize the physician to release information about this condition to school personnel.
