WHAT IS LINK CREW?

Link Crew is a high school transition program that welcomes freshmen and makes them feel comfortable throughout the first year of their high school experience. Built on the belief that students can help students succeed, Boomerang Project's proven high school transition program trains mentors from the Junior and Senior classes to be Link Crew Leaders. As positive role models, Link Crew Leaders are mentors and student leaders that guide the freshmen to discover what it takes to be successful during the transition to high school and help facilitate freshmen success.

More information will be posted on the BTHS website throughout the summer. Join our official [@BartramTrail](#) Twitter account for frequent updates throughout the summer and school year.
