

Dear Parent(s)/Guardian(s),

Tomorrow, August 29, we will be hosting our annual **BEAR NATION CLUB FAIR** during all three lunches. Research has shown a relationship between participation in extracurricular activities and success in school. In addition, participation in an extracurricular activity yields better student attendance, higher levels of achievement, and aspirations to higher levels of education. **We highly recommend that your student join a club.**

Bartram Trail High School is lucky to have such strong Clubs on our campus, providing variety and **a place FOR EVERYONE to belong.** Please see the following full list of clubs that will be represented during tomorrow's fair:
