WHY SHOULD I PAY FOR THE RESULTS?

- To obtain feedback on your strengths and weaknesses on skills necessary for college study. You can then focus your preparation on those areas that could most benefit from additional study or practice.
- To see how your performance on an admissions test might compare with that of others applying to college.
- To enter the competition for scholarships from the National Merit Scholarship Corporation (grade 11).
- To help prepare for the SAT. You can become familiar with the kinds of questions and the exact directions you will see on the SAT.

- For students who have not passed the Algebra 1 EOC, to achieve a concordant score for graduation purposes.
- All students who take the PSAT/NMSQT receive access to *My College QuickStart* - an easy-to-use, online, personalized college and career planning kit. This useful tool incorporates the responses that you provided when you took the test.
- *Please note that testing accommodations for the PSAT must be approved by Collegeboard. Only students with Collegeboard approval will be allowed to receive accommodations.

MAKE THE MOST OF THIS OPPORTUNITY!
