

Dear parent(s)/guardian(s),

## 2 DAYS UNTIL THE FIRST DAY OF SCHOOL!

As you all know, Bartram Trail High School has had an increase in student population over the years. This population increase has affected our school in many ways, especially traffic on/off campus. We understand that your time is valuable but the logistics of getting all cars on and off the Bartram Trail High School campus **SAFELY** can sometimes be an arduous task. As per usual, transportation to and from Bartram Trail High School can occur via parent transportation, SJCSD Bus, and student drivers (only for those students with a parking pass). Please read on to view more specific information about transportation. (We apologize for the length of this email, but please keep in mind that **STUDENT SAFETY IS OUR NUMBER ONE PRIORITY!**)

## PARENT DROP OFF/PICKUP

For the first couple of days, please expect there to be **LONG delays** both in the morning and afternoon. Please adhere to the following procedures for Parent Drop Off and Pickup:

- [CLICK HERE>>](#) for a map of the Bartram Trail campus and visual representation of both of the following Drop Off/Pickup locations:
  1. **AUDITORIUM PARKING LOT:**
    - Once you enter the parking lot, there is one way in and one way out. **Please use both lines when ENTERING.** [CLICK HERE>>](#) to view a more specific diagram of this process.
    - Your student will be required to wait on the sidewalk until you pull up. **For safety reasons, we will not be letting students walk to vehicles in line or on the main school road.**
  2. **FRONT ADMINISTRATION CIRCLE:**
    - The other location you may pick up your student is the front by the administration building. **Again, your student will have to wait until you pull up to the sidewalk for safety reasons.**
- No student can be dropped off or picked up in the bus loop, the 9<sup>th</sup> grade center, or any other parking lot.
- **All drivers must abide by the traffic laws, meaning no U-turns in the middle of the street, no driving on the grass to get around the other vehicles, parking in designated areas only, not cutting across parking spots, abiding by posted speed limits, wearing seat belts, etc.**
- **A St. Johns Sherriff's Office Deputy will be on campus to make sure all rules are followed.**
