

The Bartram Trail High School Athletic Department began implementing a "pay to participate" fee during the 2018/19 school year.

The purpose of this fee is to help combat the rising costs to run a high school athletic department. Currently the School Board pays each coach's coaching supplement, leaving the remainder of the expenses that include the list below, the responsibility of the athletic program.

- Transportation
- Uniforms
- Equipment
- Officials
- Security
- Ambulances
- Field maintenance
- First aid/training supplies

Each athlete who plays a sport will be charged a **\$100** fee for each sport that he/she participates in. The fee will be due when the athlete makes the team. ***\*This fee must be paid prior to the student athlete participating in his/her first interscholastic contest.***

Your understanding and support with this participation fee is greatly appreciated. While other programs around the area/country are struggling to keep sports in their schools, your financial commitment of this participation fee will play a tremendous role in keeping the athletic program at Bartram Trail one of the finest in the North Florida area.

*Please complete/tear off the section below to submit with your payment. Checks should be made payable to **BTHS**.*
