

Dear Parents, Guardians, and Athletes,

Welcome to Bartram Trail High School and thank you for your interest in girls soccer! My name is Jen West and I am the head Varsity Girls Soccer coach. My assistant coach is Joe Soto and the JV head coach is Nelson Quintanilla. We are excited to see what the class of 2021 can bring to our school both on and off the field. We have high expectations for our student/athletes and will push them to be successful through humility, servanthood, and thankfulness. Being a part of the Bartram Trail Soccer program is a privilege and we have high expectations for our athletes.

We are excited to announce that we will be keeping 2 JV teams next year to allow for more opportunities for players to play and be a part of something special. Being connected to your school through sports or any type of club has proven to lead to a better experience in high school. I will be holding 6 summer training sessions and we will have some open field/conditioning opportunities in the fall to help give you the best opportunity to make one of our teams. Being an athlete takes sacrifice, dedication, and hard work and a year round commitment to your fitness.

If you are interested in Girls Soccer for the 2017 – 2018 season, please follow the instructions below...

Getting started:

Forms: Please visit: <http://www-bths.stjohns.k12.fl.us/athletics/forms/> for the links to the forms *required* to participate in summer training, fall open field/conditioning sessions and tryouts.

Dates:

- Summer Training: July 10, 12, 13 and July 17, 19, and 20 (All athletic forms completed and on file to participate)
- Girls Soccer Try Outs: October 16th– October 18th, 2017 (All athletic forms completed and on file to participate)

Please email me with any questions you may have. We hope to see you this summer and upcoming fall for a successful winter soccer season! Go Bears!

Coach West ☺
