

Welcome to Bartram Trail future Bears!

The girls basketball team is a very successful program with 9 district championships, 4 regional championships, and one state runner-up finish with most recently coming off 2018-2019 season with its fourth trip to the final four. We want you to be a part of our team.

I am excited to announce plans for the summer. I am a very approachable coach, so please do not hesitate to ask questions or schedule a meeting. The current plan for the summer is to have training camp from **May 28 – May 31 from 4-5:30 pm**. To participate you must be registered with the school for the 2019-2020 school year and complete your physical form found on the athletic webpage. No one will be cut, which means all that are interested in getting better may attend practices and weights throughout the summer. Please see attached schedule for more details. Experience is not required to participate but the leagues and camps will be limited to selected players.

Fees Associated with summer (see attached schedule):

1. Practice fee (includes 8 practices every Tuesday and Wednesday) \$50
2. Weight fee (includes 16 lifting sessions June and July with a strength coach) \$50 June/\$50 July

(If you are unsure of which team you can start with the practice/weights fee and coaches will inform you if selected for certain events)

The summer is a very necessary time for individual improvement and team cohesiveness. I am so excited to get started and look forward to meeting you all. Please do not hesitate to reach out if money is an issue.

Looking forward to meeting you all,

Go Bears!
