

Golfers/Parents,

Here are some of the parameters for participation on the 2018 Boys Golf Team. (These are not all encompassing.)

All golfers who are trying out for the 2019 Season must be eligible. Eligibility requirements: Parents/Athletes must go to <https://athleticclearance.com/> and complete the athlete registration process which requires submitting an updated physical as well as Concussion/Heat Forms, Parent Permission form and acknowledgment of Codes of Conduct Forms.

Tryouts: We will conduct tryouts at four different courses. South Hampton, Cimarrone, St Johns Golf and Country Club and Julington Creek (Rain permitting). The first projected cut will be made after three, nine hole rounds have been played. A second projected cut will be made after five, nine hole rounds have been played (again, Rain permitting). The following are specific tryout dates for this Fall:

DATE	Monday, JULY 29TH	Tuesday, JULY 30th	Thursday, August 1st	Monday, August 5 th
LOCATION	St. Johns Golf & Country Club = 9 Holes	South Hampton Golf & CC = 18 Holes	Cimarrone Golf & Country Club = 9 Holes	Julington Creek Golf & C.C. = 9 Holes
MEETING TIME	2:45pm	12:45pm	3:30pm	3:15pm

14 players will make the team. These players will be determined by their overall scoring average during tryouts. The first ten spots will be for all grade levels. Consideration for last four spots goes to 9th and 10th graders. We do not have a J.V. team.

Once the team has been determined, all players that participated in ALL tryout rounds will drop their highest nine hole score and averages will then be recalculated. If a player misses ANY nine hole tryout they will not have their high nine hole score dropped. All players will compete to improve their nine hole averages during the entire season and compete for the top six positions.

During the Season:

Information regarding participation during the season will be provided at a later date.

Looking forward to tryouts and a competitive 2019 Season.

Coach Snyder
