

Bartram Trail Cross Country 2022

Race2Honor22

Honoring Cancer Victims
21st Annual Bale 'n Trail Cross Country Original
9/17/22

Athlete: Bartram Trail cross country runner

Honoree: Cancer victim, survivor or deceased

Sponsor: The source of the charitable donation

During the Bale 'n Trail Cross Country Meet, sponsored Bartram Trail athletes will honor a cancer victim by racing in a special commemorative race singlet carrying their honoree's name. The objective is for athletes is to show appreciation, experience a broader perspective of the world, learn about some of the people that have endured the torture cancer recks on them and their families, and raise money to help fight it.

Each sponsorship of \$100 joins in our group's effort to raise funds for an organization like Susan G. Komen for the Cure, American Cancer Society, Cancer Research Institute, Memorial Sloan-Kettering Cancer Center, or St. Jude's Hospital. To show our appreciation, each athlete will give a 2022 Race 2 Honor commemorative hat to their sponsors.

WE NEED YOUR HELP!

Sponsorship suggestion is \$100+ with all proceeds going to help fight cancer.

Honor, Appreciate, Learn, Grow

Sponsors may choose their athletes on a first come first serve basis. All honorees must be identified and matched with an athlete by **Monday September 5th** so names can be applied to the athlete's special race singlet.

Fill out the on-line form and make your sponsorship pledge here:
