

Bartram Trail Cross Country 2023

Race2Honor23

Honoring Service Members
22nd Annual Bale 'n Trail Cross Country Original
9/23/23

Athlete: Bartram Trail cross country runner
Honoree: Service Member; active, retired, or deceased
Sponsor: The source of the charitable donation

During the Bale 'n Trail Cross Country Meet, sponsored Bartram Trail athletes will honor a service member by racing in a commemorative race singlet carrying their honoree's name. The objective for athletes is to show appreciation, experience a broader perspective, learn about some of the people that have served to protect America, and raise money to help support veteran services.

Each sponsorship of \$125 joins in our group's effort to raise funds for an organization like The Freedom Track Military Program, The Wounded Warrior Project, or K9s for Warriors. To show our appreciation, each athlete will give a 2023 Race 2 Honor commemorative hat to their sponsors.

WE NEED YOUR HELP!

The sponsorship suggestion is \$125+ with all proceeds going to help veterans.

Honor, Appreciate, Learn, Grow

Sponsors may choose their athletes on a first come first serve basis. All honorees must be identified and matched with an athlete so names can be screen printed on the athlete's commemorative race singlet.

Each sponsor has two task items.

1. Email John McDonald (jfmcdonald@ft.newyorklife.com) and identify the name or names of the honoree as well the Bartram Trail Cross Country athlete you wish to represent the honoree on race day.
Due Monday August 28th
2. Make your \$125 [sponsorship pledge here](#).
Due Monday September 18th
