

BTHS Dance Parent Contract

This contract must be signed prior to the candidate's audition. This contract does not guarantee your child's placement on the team. If your child receives the honor of being on BTDT, this contract will be effective immediately.

All parents are expected to act appropriately and responsibly. By signing this contract, you are agreeing, understanding, and acknowledging each part. If any of the rules are not followed, consequences will be delivered on an individual basis at the discretion of the coach and may impact both dance team members and parents.

Practices, games, and school events/performances are ALL mandatory for the dance team member. Do not make appointments or call your child out of 7th period dance class, practices, games or events.

Every performance will have a tryout. Dancers are given plenty of instruction and time to perfect routines in order to be on the floor. If a dancer does not meet the requirements to perform, he or she will not be dancing but must attend the event in uniform.

When at dance events, dance team members are required to be with the team and are not to sit with parents, friends, significant others etc. Parents are not allowed to come onto the field, dance floor, stand around the team's huddle, sit with the team, or take the dance team member away from the team.

When at any dance event you must maintain the utmost respect for other spectators, coaches and officials. You are representing BTHS, dance, and your child. No Parent will taunt any member of any opposing team.

Parents should act with respect toward the program and coach. Parents are not to gossip/talk/vent about issues regarding dance, dance leaders, the coach or the program. All concerns are valid, before reacting, please use the 24-hour rule prior to contacting the coach.

If a dancer has a concern, he or she will need to communicate the concern to the coach. Please allow your child the opportunity to speak to me before you as the parent get involved. If the coach knows of any major concerns, you will be contacted immediately.

I hereby understand that as a parent of a BTHS Dance Team member, I am here to support my athlete, the coach and the program. If I represent the program poorly or break the above contract, the coach has the right to dismiss myself and/or my dancer from participation. I will respect all decisions made by the coach.

If both parents are guardians and will be present at any BTDT function, two signatures are required.
