

Bartram Trail High School Dance Team By-Laws 2025-2026

I. PURPOSE

- A. Promote and uphold school spirit.
- B. Represent BTHS to the highest degree in performances, competitions, and daily academic/behavioral life.
- C. Set an example of good behavior at all times (whether in uniform or not) in class, at games, and at all school functions.
- D. Promote friendship between all dance team members, cheerleaders, and other athletic and/or spirit organizations.
- E. Promote friendships with schools with whom we compete, perform, and attend camp.
- F. Commit to achieving goals through dedication and perseverance.

II. REQUIREMENTS/ELIGIBILITY

- A. Members must meet all academic requirements as dictated by the Athletic Department and the FHSA and must maintain a 2.0 unweighted GPA with no failing grades and no more than 15 unexcused absences. If Team Members fall under the 2.0 GPA, he or she will be put on probation until the grades are recovered.
 - a. Probation/Penalty is defined as missing the next performance until the student's grade is at or above the required GPA.
- B. Dance Team must take priority over ALL other extracurricular activities, including jobs and studio dance commitments. This includes, preseason activities, Football (and all playoff games), Basketball, and Competition season. Penalties curated by the team will be issued for practices (including seventh period) or performances missed and/or dismissal from the team.
- C. Dance Team members are not allowed to be on another competitive dance team during BTDT season that interferes with the commitments of this team.
- D. Members must maintain good citizenship marks, attendance, class performance, and teacher recommendations during the time on the team as well as during auditions. Problems in any area will be dealt with in a timely and appropriate manner. If a team member displays problems in any of the above areas, the team member is not considered to be 'in good standing' until those problems are resolved.
- E. All members must have a current physical on file in Athletic Clearance. This must be on file before members can audition, practice, attend camp, perform, or compete.
- F. Being on the dance team one year IN NO WAY GUARANTEES PLACEMENT ON THE TEAM FOR THE FOLLOWING YEAR. Every member must go through the same audition/selection process each Spring. In addition to ability, each member's cooperation, effort, attitude, behavior, and ability to get along with other squad members from the previous year will be considered. The team will be chosen by a select group of qualified judges with input from teacher recommendations, current BTDT coach, and clinic evaluation. Audition results are FINAL. It is recommended that each member who intends to audition for the team the following year work independently during the season as well as in the offseason to stay in shape and improve their technique and skills.
- G. All members are expected to take an active part in fund-raisers. Any merchandise lost or stolen must be replaced/paid for by that individual. You are to follow school guidelines as well as Athletic Booster's guidelines for all fundraising activities. Remember that YOU are on the team -not your parents. It is your responsibility to help them out with the finances. Ample opportunities will be provided for you to earn most of the money required. If you are not able to participate in a fundraiser, you will be required to pay the amount earned by each team member.
- H. All members must be enrolled in the Dance Team class. This class will take place 7th period daily and is called Comprehensive Fitness. Missing seventh period is considered missing practice. Penalties will be issued for missed classes.
- I. All members who have completed the Competition season in good standing (less than 10 demerits) will earn

- a Varsity Letter. All members of the competition team will receive any earned medals or championship rings.
- a. Side Line team members are not eligible to receive a Varsity Letter, medals or championship rings.

III. PERFORMANCES

- A. Each team member will try out for all performances. If the team member does not meet the requirements needed to perform, he or she will be removed from the performance. The team member is still expected to attend all practices and performances in uniform whether he or she is dancing or not.
- B. The decision of the coach is final. Each dancer receives specific feedback to help improve throughout the practices leading to tryouts. He or she will also receive specific feedback after the tryout process. It is ultimately the team member's responsibility to make the floor for each performance.

IV. CONDUCT

- A. By accepting the privilege/honor of wearing a BTHS Dance Team uniform, a member accepts the fact that their actions are more prominent than those not associated with such an activity. By accepting this privilege, a member agrees to be a positive role model. Your reputation no longer belongs to just you ... it is shared with each team member, past and present. Exemplary behavior is always mandatory, anywhere in the community of BTHS and at all functions where members are recognized as representatives of Bartram Trail.
- B. Members must not use foul language at practice, in school, at games, camp, competitions, etc.
- C. Excessive public displays of affection are never considered appropriate, especially in uniform, at games, or in school (whether in uniform or not).
- D. Smoking or drug usage (including alcohol) is not allowed at any time according to the St. Johns County School District Student Conduct Code and is cause for IMMEDIATE DISMISSAL from the BTHS Dance Team. *"The use, possession, distribution or sale of controlled substances, alcohol or tobacco in any form are not tolerated and are grounds for suspension, referral to an alternative program and/or expulsion. The misuse, misrepresentation, distribution or sales of prescription or over-the-counter drugs incur the same discipline measures. Law enforcement will be contacted and legal sanctions will also apply. Students knowingly in the presence of such activity are subject to similar consequences."*
- E. Please note that to be with people who are in possession of alcohol or other drugs could result in dismissal or temporary suspension from the team.
- F. All rules and regulations imposed on any Bartram Trail student will be imposed on dance team members. Since members of the Bartram Trail Dance Team are more recognized in our school and community, they are held to higher standards. The Athletic code of Conduct is a starting point for members of this elite team.
- G. Members must display proper behavior in class, including being on time, not skipping, not cheating, and being respectful to whoever is in authority.
- H. The Coach will back all members 100% if she believes an injustice has occurred against them; however, members must pledge to be completely honest with the Coach in these, and all, cases.
- I. In lieu of demerits the team will create a list of agreed upon penalties for various infractions. This will be signed off on by all members.
- J. Any team member who becomes pregnant will not be considered a member in good standing and therefore will not be permitted to participate in any capacity as it is unsafe for the member and unborn child.
- K. Every attempt will be made by the Coach, and leadership team, to deal with members fairly. The consequences of actions will be made clear ahead of time.
- L. Since all situations may not be foreseen and thus outlined here, each will be dealt with in a manner decided upon by the Coach and Athletic Department, with assistance from the administration if deemed necessary. Each disciplinary case will be judged individually, but each may also serve as a basis on which to judge future cases.

- M. Poor conduct/behavior under any of the above circumstances could result in warnings, demerits, and/or suspension/removal from the squad. Inappropriate behaviors not only reflect on the individual but can also affect the image of the entire team. **The good of the team always comes before any one individual.**
- N. **Members are responsible for knowing all the rules.**

V. UNIFORMS, OTHER EXPENSES

- A. Pieces of the Football Uniform will be provided by the school and therefore belong to Bartram Trail High School. These items will be returned in GOOD condition at the end of each event. If the Coach or Athletic Director feels that the items are no longer usable, they must be replaced by the student.
- B. Team members must provide other items, such as shoes, socks, tights, jazz pants, competition wear, hair accessories, warm-up suits, etc.
- C. Uniforms/props that are ruined, lost or stolen will be replaced by that member at her/his own expense.
- D. Additional uniforms may be purchased for pep rallies, game days, and/or competitions. Costs for these additional uniforms will be absorbed by the team member.
- E. Dance Team Uniforms are to be worn on specified days at specified events. Other students, friends, siblings, etc. are **not** to wear the BT Dance Team uniform unless they are a member of the team. This includes warm-up pants and jacket, letter jacket, and practice wear. Allowing others to wear a part of the uniform is an infraction that will carry penalties.
- F. Attending summer dance camp encourages team bonding and increases the ability of the team. Members must commit to attending summer dance camp prior to auditioning for the team. Fees are the responsibility of the individual.
- G. If a member is removed (or resigns) from the team, she/he will be expected to return all non-personalized items (warm up suit, performance wear, props, etc.) If items are sold to other members, negotiation of price will be between the parties involved (buyer and seller) and not the coach.
- H. Competition/travel expenses are to be paid for through individual fundraising, and the remaining costs are to be absorbed by the team member.

VI. DANCE TECHNIQUE CLASS

- A. Members must be able to fit the dance team class (7th Period – Comprehensive Fitness) into their schedule. If a class conflict arises due to an academic matter, please contact the coach prior to summer camp. Often this is a matter that can be worked out. If the student is unable to enroll in the class, the student will not be permitted to be a member of the team.
- B. Everyone must practice the choreography learned in class before the next class/practice in order to be prepared to go on. Choreography missed when absent must be learned within ONE DAY of return. Inability to learn the routine well enough, in the opinion of the coach, may result in an individual not performing. *It is the responsibility of the team member, that was absent, to learn the missed material on their own time.*
- C. Unexcused Absence from Dance Team class and/or three hours of school, except for field trips, or other school related, pre-authorized activities, the day of a performance for a weekday event, or the Friday before a weekend event will result in not performing at that event. The members must still attend the event in uniform.
- D. Members must contact the coach prior to any after-school absence if the member was in attendance during the school day. Failure to do so will result in an unexcused absence and will carry penalty.
- E. Members must NOT schedule routine dental, doctor, or other appointments during class hours, scheduled practices, or performance days. This includes SAT and ACT. This will result in unexcused demerits.

- F. On emergency (i.e. bad weather, safety alerts) closing days, the coach will stay in touch with the Leadership Team and the Leadership team with members.

VII. PRACTICES

- A. Mandatory morning and after school practices will be established during performing months (August-March). Prior to competitions, rehearsals may be held daily as needed either before or after school.
- B. Additional practices will be scheduled as needed, especially to start each season, and when many performances are close together. Sufficient notice (one week) will be given prior to additional practice. If a practice is called less than one week before, it will be considered optional.
- C. Any absence from practice must be reported directly to the coach IN WRITING (email/text is sufficient) at least one week prior. You must contact the coach before leaving campus if ill. Failure to report the missing of a practice will result in removal from the next event.
- D. Missing an added-on practice or regular practice, at which major routine changes are made, could result in missing the next performance.
- E. Missing part of practice for an occasional club meeting will be allowed IF prior approval is given at least three school days in advance.
- F. Missing part of practice for a test or other approved academic reason will carry NO penalty, but the member must get PRIOR approval by showing a note from the teacher and make up for what is missed.
- G. Members must dress out for all practices unless otherwise notified. Proper dance attire (including shoes and knee pads/knee braces if necessary) must be worn at all practices.
- H. Dance Team members will respect 'Bear Time'. Members must be in the practice area with needed items five minutes before the practice is scheduled to begin. Remember that it is irresponsible and discourteous to inconvenience the rest of the BT Dance Team. Respect your teammates.
- I. Members must NOT LEAVE PRACTICE EARLY without prior approval; this does carry a penalty, except for family or medical emergencies. Don't schedule work too early and don't sign up for studio classes that you can't get to on time.
- J. Any practices missed within a week of a performance or competition will result in that member not being able to perform. This includes the seventh period dance class.

VIII. WEBSITE

- A. Team members maintaining a Facebook, Instagram, TikTok, Snapchat, or any similar site, are expected to display the same conduct online as outlined in section III of this document. You will be monitored by a watchdog account for both your protection as well as the best interest of the team. If you choose to maintain such accounts, then you must add the 'Bartram Dance' account as a 'friend'. In addition, if an incriminating picture of you is found on someone else's site, this will carry the same penalties as if the coach sees you in person. AS A MEMBER OF BTDT YOU ARE RESPONSIBLE FOR YOUR ACTIONS AT ALL TIMES IN ALL PLACES.
- B. Information for Team Members can be found under the BTHS Athletics page by clicking on the Dance link.
- C. By being a part of the Bartram Trail Dance Team, you give permission for pictures and videos of your dancer to be used on our social media accounts, for promotions, and other means. You must submit in writing to the Coach if you do not wish your child's picture to be posted.

IX. LEADERSHIP POSITION TRYOUTS

- A. Veteran team members are eligible to audition for a leadership position. Their main responsibilities include maintaining the demerit/merit list, teaching/cleaning routines, maintaining discipline, motivating the team, and assisting the coach as requested.
- B. Earning a Leadership position on the BT Dance Team requires a higher level of commitment. Team members in Leadership positions need to plan to have thirty minutes available after each practice to help any team members or the coach with certain needs. For example, if practice is from 4:00-5:15, a member with a leadership position is from 4:00-5:45. Members should not schedule any other commitments during that time.

X. COMMUNICATION

- A. Most problems can be prevented/resolved with open communication.
- B. Always remember that the Coach wants you to be happy and enjoy this experience. You were very fortunate to be selected as a member of this team. The hard work and dedication that got you on this team should remain evident throughout the year. If so, you may be assured that this time in your life will be a cherished memory for years to come.
- C. Parents and other family members are expected to respect the coach and her decisions. Gossiping, bad mouthing, and complaining are unacceptable and will be dealt with in a face-to-face meeting with the coach. If you are unable to trust the coach with your child and are not willing to trust the process it takes to compete well at a National Championship, this is not the right team for your family.
- D. Parents are expected to speak positively and respectfully at all get togethers, competitions, and performances. Any infractions will result in that person not being allowed to attend. Bartram is represented by the entire family, and it is expected that our fans are respectful.
- E. If a parent has a concern they would like to discuss, please use the 24-hour rule before he or she contacts the coach. If it cannot be resolved, the next meeting will include the athletic director and/or principal. Going straight to the athletic director or principal will result in the athletic director or principal redirecting the parent back to the coach.
