RE: Important Information for Rising 9th Graders

Bears:

I appreciate your desire to join the BTHS Football Program. Listed below you will find important information, dates and requirements. Playing football for the Bears is not easy, but like most things in life – the greater the challenge, the greater the opportunity for growth. You will quickly discover our primary goal is to help you grow into the best student-athlete, teammate, leader, and young man you can be.

Playing football is a privilege, and you will be expected to choose a great attitude and give great effort every day. You will be challenged to be your best: at home, in the classroom, on the field, and to pursue excellence in all you do.

Requirements:

Academic Registration – You must be registered as an incoming student at Bartram Trail High School.

Athletic Registration – You must register via “AthleticClearance.com” and include current EL2 (Athletic Physical). You can find instructions on the BTHS Athletics Web Page or by clicking the following link:
