

Bright Futures Info

Seniors, the online application for Bright Futures for the Class of 2020 will open on October 1, 2019! You must complete and submit the application prior to graduation. Regardless of your current eligibility status, ALL seniors should go on apply. Do not wait to apply until you have met all the requirements. Bright Futures will upload your transcript and service hours in January and June.

Florida high school students who wish to qualify for the Florida Academic Scholars (FAS) award or the Florida Medallion Scholars (FMS) award must meet the following initial eligibility requirements:

- Graduate high school from a Florida public high school with a Florida Standard Diploma (high school graduation requirements), graduate from a registered Florida Department of Education private high school, earn a GED, complete a Home Education program, or graduate from a non-Florida high school (OOS)
- Complete the required high school coursework
- Achieve the required minimum high school grade point average (GPA)
- Achieve the required minimum score on either the ACT® or SAT® college entrance exam and
- Complete the required number of service hours.

Type	16 High School Course Credits ¹	High School Weighted Bright Futures GPA	College Entrance Exams by High School Graduation Year (ACT®/SAT®)	Service Hours
FAS	4 - English <i>(three must include substantial writing)</i> 4 - Mathematics <i>(at or above the Algebra I level)</i> 3 - Natural Science <i>(two must have substantial laboratory)</i>	3.50	2019-20 Graduates: 29/1290 2020-21 Graduates: 29/1330	100 hours
FMS	3 - Social Science 2 - World Language <i>(sequential, in same language)</i>	3.00	2019-20 Graduates: 26/1170 2020-21 Graduates: 25/1210	75 hours

- Bright Futures GPA is NOT the same as report card GPA.
- Bright Futures GPA = 16 credits- Semester grades in approved English (4 credits), Social Studies (3 credits), Science (3 credits), Math (4 credits), and World Language (2 credits) courses **only**.
- Bright Futures weighs honors, AP, and dual enrollment classes equally with 0.5 per credit earned – NOT 1.0 weight for AP or DE!
- ASL counts as a world language for FL public schools.
- Bright Futures will also accept two additional academic electives toward the GPA calculation if it benefits the student.
- Remember, you have until graduation day to increase your GPA, credits, and community service hours.

High School Course Credits

For both scholarships, the required coursework aligns with the State University System admission requirements. The world language requirement can be met by demonstrating proficiencies based on scores on Credit-By-Exam Equivalencies or other university approved means. Otherwise, the high school transcript must include a world language "completer" course to show that the world language requirement has been met. Please refer to the Bright Futures Course Table for specific information on which courses count toward FAS/FMS requirements.

High School GPA

Evaluation for Bright Futures includes an unrounded weighted high school GPA (calculated to two decimal places) in the 16 college-preparatory credits. The following courses are weighted .25 per semester course or .50 per year course in the calculation of the GPA: Advanced Placement (AP), Pre-International Baccalaureate (Pre-IB), International Baccalaureate (IB), Honors, Pre-Advanced International Certificate of Education (Pre-AICE), Advanced International Certificate of Education (AICE) or academic Dual Enrollment. For example, whereas an 'A' equals 4 quality points for an unweighted course, an 'A' would equal 4.5 quality points for a weighted course.

If necessary, students may use two additional credits from courses in the above academic areas, or from AP, IB, or AICE fine arts courses to raise their GPA.

College Entrance Exams

The College Board introduced a new entrance exam (Redesigned SAT®) beginning March 2016.

- The SAT® (SAT administered prior to March 2016) combined score is the sum of the best Critical Reading and Math scores from any test sitting of this version of the 'Old' SAT®.
- The Redesigned SAT® (SAT administered beginning March 2016) combined score is the sum of the best Evidence-based Reading and Writing and Math from any test sitting of this version of the 'New' SAT®.
- The ACT® composite score is the average of the best scores across the four subject area sections from any test sitting: English, Math, Reading and Science. Composite scores ending in 0.50 will be rounded up to the next whole number.
- The ACT®/SAT® exams may be taken an unlimited number of times through June 30 of the student's graduation year (or through January 31 for mid-year graduates).
- Request test scores be sent to one of Florida's 12 state universities, Florida state colleges (public community colleges), or public high schools when registering for the ACT®/SAT® so that test scores will be sent to the Florida Department of Education (FDOE) repository.

Service Hours - Turn in to Mrs. Richards in Guidance

Students must complete volunteer service hours during high school and by high school graduation. Service hours may include, but are not limited to, a business or governmental internship, work for a nonprofit community service organization, or activities on behalf of a candidate for public office. The hours must be documented in writing, and signed by the student, the student's parent or guardian, and a representative of the organization. Each public school district and private school establishes approved activities and the process for documentation of service hours.
