Supporting Surface Sailors and Their Families Since 1980

In 1980 the SURFLANT Scholarship Foundation awarded four \$500 scholarships to dependents of East Coast Surface Warriors. After growing and expanding its scope to include Surface families around the world, the Foundation was re-chartered in 2004 and became Anchor Scholarship Foundation. Since our inception, we have awarded more than \$1,300,000 to over 840 students.

OUR MISSION

Make college more affordable for our US Surface Navy families.
