

Information about Parchment and Ordering Transcripts

Students:

Go to Parchment – there is a link on the BTHS webpage. Create an account if you haven't already.

Login to your Parchment Account and request a new transcript. Within the next business day or so one of the Computer Operators at BT will approve your request and you will receive an email letting you know that your new (unofficial) transcript is available for download. Just follow the steps in the email and you will have your most updated transcript available to use for scholarship requests (if they do not require an official one) or if you just want one for yourself.

If you need an official transcript for a scholarship, you will have to order a printed one to either be sent to you (do not open this envelope) or you can send it directly to the organization, if you have their mailing address. Please allow at least 10 days for this process. There is a \$2.50 fee for printed transcripts.

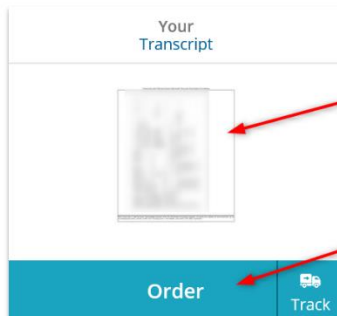

Bartram Trail High School

Saint Johns, FL

Enrollment Info

You can now get your credentials! Here is what is waiting for you at this organization.

This is what your transcript looked like the last time YOU placed a request to send it to yourself. It has likely been updated (possibly many times) since you last requested to see it.

To receive your most updated transcript, place an order to send an electronic one to yourself. Once BT approves it, you will receive an email from Parchment to download the newest version.
