JOHN T EDWARDS MEMORIAL SCHOLARSHIP APPLICATION

The Fraternity of Phi Gamma Delta was established at The Florida State University in 1967 by Colonel Robert Shoemaker for the purpose of building and guiding future leaders. That tradition continues 50 years later as Phi Gamma Delta inspires the prime essentials of true character in its members: friendship, knowledge, service, morality, and excellence. We encourage not only our members, but all students at FSU, to embody those values as well. To that end, Phi Gamma Delta sponsors the John Edward Memorial Scholarship to honor an incoming male first year student at The Florida State University. John Edwards was a member of Phi Gamma Delta who passed away in 1993. John was truly an amazing member, and his memory and infectious positive spirit influences our organization to this day. This scholarship is awarded annually to a freshman male student who values scholarship, service and extracurricular activities as John Edwards did during his lifetime. We will award \$1,000 to use towards education purposes such as tuition, books, or room and board during the 2021 fall semester. Incoming male freshman at The Florida State University are encouraged to apply if they meet the following criteria:

1. Weighted GPA of 3.5 or higher
2. Record of service to their community
3. Record of service to their High School
4. Participation in extracurricular activities as a well-rounded student

Please fill out the application on the following page and email the completed form to wt1frank@gmail.com on or before July 27th, 2021. Please attach a full high school transcript to verify minimum requirements of the scholarship and any other accompanying information you feel appropriate to document any service or extracurricular activities. Reference letters are encouraged.
