Can I take dual enrollment courses on Bartram's campus next year?

- No, dual enrollment on Bartram's campus will not be offered next school year.

Dual Enrollment – Things to Keep in Mind

- Do parents have access to student's dual enrollment course grades? Can they correspond with students' college professors?
 - *No. Students are expected to handle all communication because they are considered a college student. No one at SJRSC, including students' professors, can communicate with parents per FERPA.*
- What if students have accommodations?
 - *The student will need to work with the SJRSC Disabilities Services office to determine what accommodations, if any, can be used in college classes*

Dual Enrollment – Things to Keep in Mind

- Are dual enrollment courses ‘watered down’ to fit the needs of high school students?
 - *No. These courses are adult level courses and students should have not only the academic maturity, but the social/emotional maturity to handle adult content matter and academic responsibilities.*
- What is the impact of dual enrollment?
 - *Dual enrollment is the start of a college transcript. Dual enrollment grades will follow students forever, which can impact admittance to college/university, acceptance into the students major, and enrollment in graduate school. Doing poorly in dual enrollment courses may also negatively impact financial aid.*

Dual Enrollment Requirements for FCTC

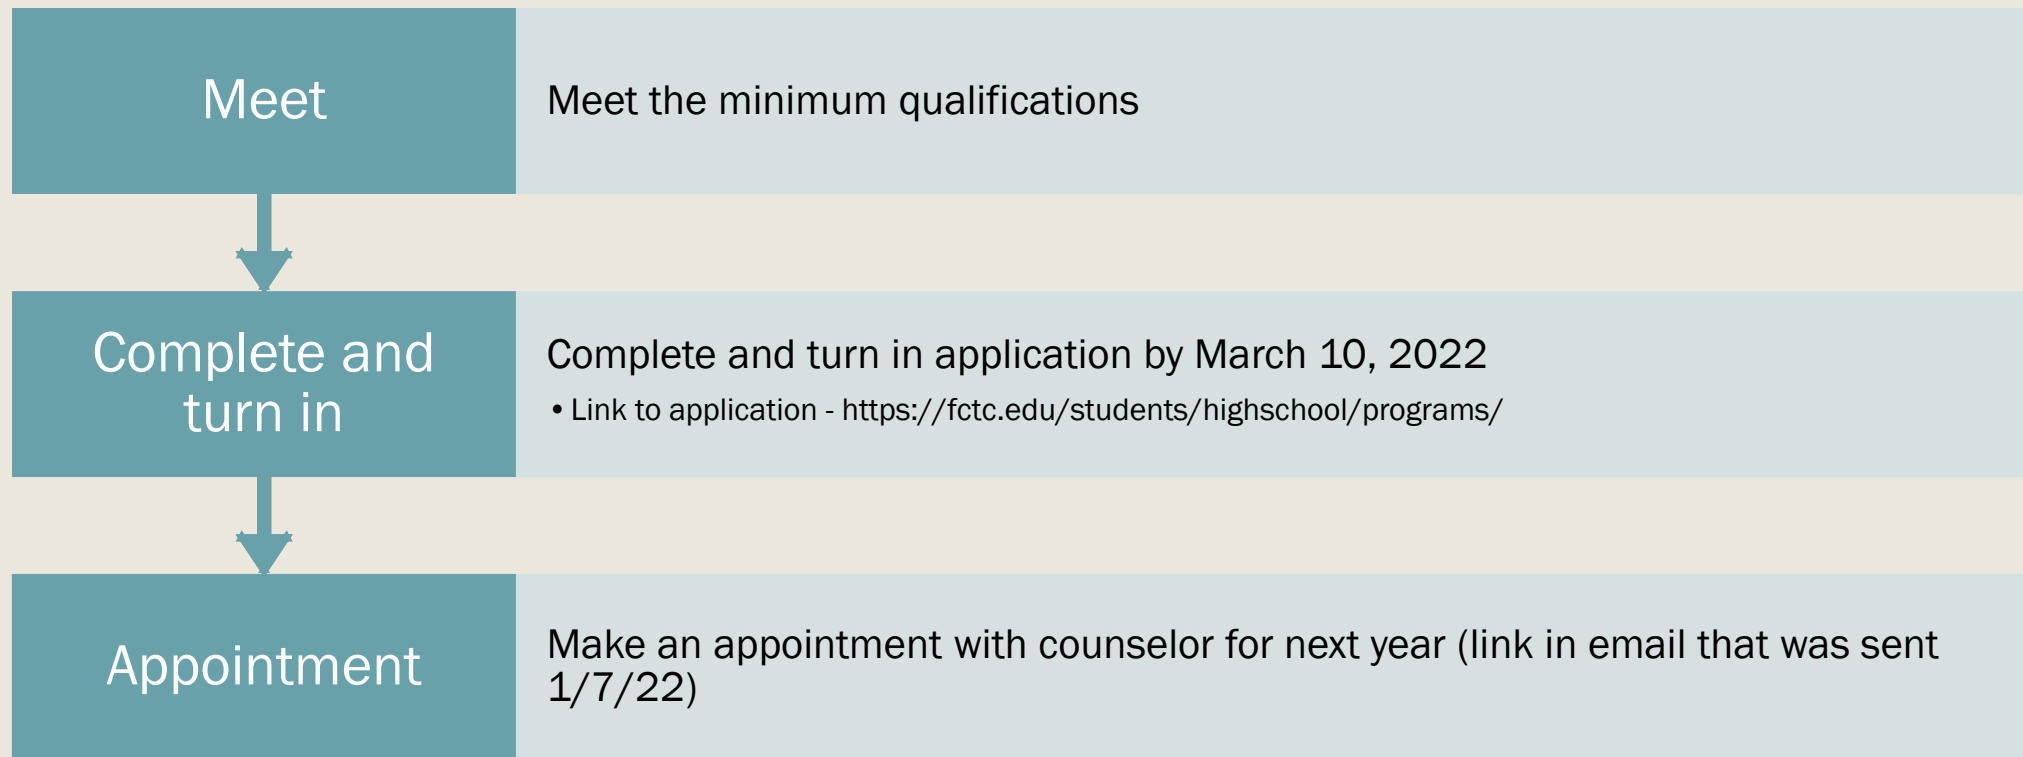

Good attendance and discipline record

2.0 unweighted GPA for dual enrollment only

On track for graduation

Room in the students schedule for a minimum of two consecutive periods and travel time to FCTC. Also please be advised some courses may require additional periods.

How to Register for Dual Enrollment at FCTC

What's better? AP or DE

College Reps say either is fine -

AP and DE comparison video –

Comparison sheet - https://www-bths.stjohns.k12.fl.us/wp-content/uploads/2014/05/2019-2020-Scheduling_AP-and-Dual-Enrollment-Comparison.pdf

How can I get a reduced schedule or take CO-OP?

- Reduced* – 11th graders can reduce 1 period if they are taking **4 or more AP, and/or DE courses**
 - *Choices for reduced schedule: 1st only or 7th only*
 - *This is just a request; it is not a guarantee that students will get their requested modified period*
- CO-OP – Students can take **1 CO-OP during 7th period** (listed as Executive Internship or CO-OP) during 11th grade. Students must work 5 hours a week for every CO-OP course, turn paystub into Ms. Richards, and do one assignment a quarter. Students earn a credit for CO-OP.

*Students still need 8 elective credits for graduation, so choose wisely when requesting a reduced schedule

Students can retake classes in which they earn a D or F (if the class is offered on FLVS, SJVS, or APEX Credit Recovery)

All grades appear on the official transcript. Forgiven grades will still show on transcript but will not be included in GPA calculation

All grade forgiveness should be completed before senior year

Options for grade recovery: St Johns Virtual School, Florida Virtual School, and/or APEX credit recovery*

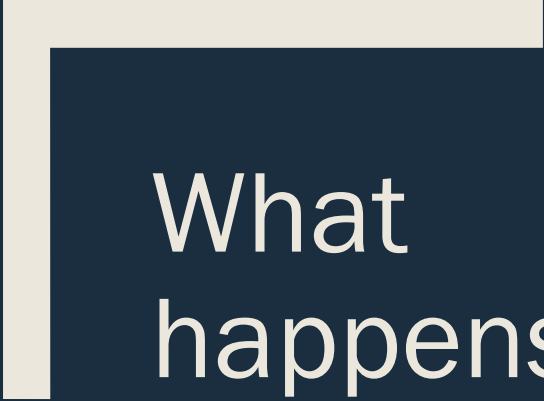

*Courses taken via APEX credit recovery will not count towards NCAA eligibility

Grade Forgiveness

What about parking?

- Parking and scheduling have NOTHING to do with each other.
- If you choose modified, CO-OP, or off campus dual enrollment and DO NOT get a spot, then parents will have to pick you up/drop you off or you will need to use the form to change elective choices after parking information goes out.
- Junior parking information - <https://www-bths.stjohns.k12.fl.us/parking/>

What happens if student scores a level 1 or 2 on the FSA ELA this year?

- They will be placed in a reading course for the 22-23 SY and you won't be on track to graduate with a standard high school diploma (remember, passing the 10th grade FSA ELA or earning a concordant from ACT or SAT is a graduation requirement).
