ON AGING

March 30, 2022

Dear Superintendent:

Thank you for your hard work and commitment to Florida's students. A great education is the foundation of a promising career and gives Floridians the opportunity to pursue their American Dream – including the dream to serve in our country's Armed Forces.

As a U.S. Senator, I have the honor of nominating promising young men and women from Florida to attend one of our nation's four incredible service academies – the Army West Point academy in New York; the Air Force Academy in Colorado; the Naval Academy in Maryland; and the Merchant Marine Academy in New York. Our United States military represents the best of what it means to be an American and a Floridian, and I am proud of our students called to serve and protect our country.

The Military Academy application is available on my Senate website at <https://www.rickscott.senate.gov/services/academy-nominations>. To ensure that every Florida student has the opportunity to achieve their goals, we ask for your partnership to reach interested students within your school district. Please distribute the attached flyer and our website as you deem appropriate.

Thank you for support and cooperation as we work together to help those dedicated to defending our freedoms.

If you have any questions, please reach out to my team at [Nominations@RickScott.Senate.gov](mailto:Nominations@RickScott.Senate.gov).

Sincerely,

Rick Scott  
United States Senator
