- Be a new or returning SJR State student.
- Must maintain a 2.0 GPA.
- Must complete all scholarship requirements.

We recommend completing the [FAFSA](#) because some but not all scholarships require it.

NEW THIS YEAR - The Scholarship Recommendation Form.

In addition to Letters of Recommendation, students will have the option to submit the Scholarship Recommendation Forms instead. This form will offer the person filling it out a more guided option in answering topics about the students. Two recommendations are still required for the scholarship application, there are now just options.
