Recommendations vs Requests

Current teachers make recommendations for next year's core courses and upper-level electives.

- Feel free to look at our Course Progressions on our Registration webpage to see our recommended core course sequence.

Requests are the electives students get to pick to complete their 7 total courses for next year.

Request Changes VS Schedule Changes

- Students can request the following changes when sitting with a counselor during their appointment:
 - Electives
 - Core Re-Evaluation
 - Virtual lab (deadline to request a virtual course with an August 12th start date via FLVS is May 24th)
- If changes need to be made after your registration appointment with your counselor, be sure to fill out the appropriate form on our website: <https://www-bths.stjohns.k12.fl.us/courseregistration/>
- There are **no schedule changes**, so make sure recommendations and requests are correct by May 24

Grades – A grade of “C” or better in the previous honors course. Students earning an “A” in a previous standard class, may be recommended for Honors or AP

FSA/FAST/EOC – Level 4 or 5 in appropriate area and not less than a level 3 in any area

SJCSD Honors Criteria

Dropping an AP or Honors Course

- Courses can only be dropped at the **semester** IF ...
 - Student has a D or F and
 - Student has consistently attended help sessions and
 - Parent and student have had a teacher conference and
 - There is a seat available in the desired course

Grade Forgiveness

Students can retake classes in which they earn a D or F (if the class is offered on FLVS, SJVS, or Edmentum Credit Recovery)

All grades appear on the official transcript. Forgiven grades will still show on transcript but will not be included in GPA calculation

All grade forgiveness should be completed before senior year

Options for grade recovery: St Johns Virtual School, Florida Virtual School, and/or Edmentum credit recovery*

*Courses taken via Edmentum credit recovery will not count towards NCAA eligibility

If grade forgiveness is necessary, students should request an Edmentum or Virtual Lab on their schedule for next school year during their meeting with the counselor

- Schools are required by the State to place students in intensive reading if they score a level 1 or 2 on the FAST ELA Reading
 - Administration will review FAST scores during the summer and students will be placed in an intensive reading course. In 11th and 12th grade intensive readings focuses on ACT/SAT prep.

Intensive Reading
