  - If you're planning to attend college, you will need two credits in the SAME world language

# Grade Point Average - GPA

GPA - 2.0 cumulative unweighted or higher

- 2.0 is a "C" average
- Check HAC regularly to keep track of grades

# Grade Recovery

Students who have earned a grade of D or F in a course can retake the course for grade recovery online or through Edmentum. Once the new higher grade is earned the Registrar's office will zero out the F or D previous grade and replace it with the higher grade. Please note that the original grade of D or F will remain on the transcript but will not affect the GPA.

NCAA guidelines – collegiate athletes cannot take grade recovery through Edmentum but must complete grade recovery on FLVS or SJVS.

- The state allows for grade averaging one failed semester with a passing semester to pass a course and earn credit, if possible . We still recommend re-taking the half credit failed course for grade recovery.
- The FLVS website for online grade recovery is [www.flvs.net](http://www.flvs.net) Students may also choose St. Johns Virtual (SJVS) at [www.stjohnsvirtual.com](http://www.stjohnsvirtual.com), which is the district online option. Counselor approval is needed to take any course for grade recovery.
- During registration, grade recovery labs can be added on a student's BTHS schedule to complete during the school year. Prior to summer break Counselors will recommend grade recovery courses through Edmentum that can be completed at home over the summer months.

# Promotion Requirements

9th to 10th Grade

- 5 credits

10th to 11th Grade

- 11 credits

11th to 12th Grade

# What you need to know about GPA:

GPA's update after every semester:

- In January, after semester 1 grades post
- In the summer, after semester 2 grades post

AP, Dual Enrollment, and honors counts towards your weighted GPA

Only a student's unweighted GPA counts towards graduation
