xello FOR SENIORS

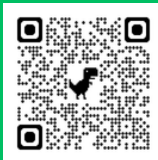

St. Johns County School District has partnered with Xello for students to track college applications, request letters of recommendations, request transcripts for college applications and so much more.

Xello works in conjunction with Common App.

Before students begin working in Xello, they should complete the following tasks:

1. Create a Common App account
2. Link their current high school
3. Add a school to the My Colleges list
4. Fill out the preferred start term
5. Sign FERPA Authorization Release

Scan QR Code for a walk through demo of Xello and Common App integration

*Seniors must also assign their school counselor in Xello. This is necessary for your school report (including your transcript) to be sent to the college/university.

Community Service Hours

Students need to submit their community service hours once they earn them to avoid turning them in at the last minute during senior year. Service hour information can be found at

www-bths.stjohns.k12.fl.us/guidance/community-service-hours/

BTHS School Counselors keep an open door policy during 4th period for the convenience of all students. Be sure to stop by if you have something quick you need to discuss with your counselor.
