Dual Enrollment with SJRSC

Keep in Mind

- Parents have no access to student's dual enrollment grades until they are added to both the college and high school transcript
- College professors/academic advisors will not communicate with parents
- All high school students who are taking dual enrollment classes are treated as an adult high college student and will be taking classes with adult college students
- High school counselors cannot advise on AA degree requirements or pre-requisites needed for intended majors
- Bartram Trail schedule cannot be modified or changed to accommodate dual enrollment classes

Qualifications

- 3.0 unweighted, cumulative GPA and
- Qualifying placement scores for math, reading, and writing
 - [Scores Needed](#)
- Complete and accurate dual enrollment packet including application, registration form, and test scores by published BTHS deadline
- Read Dual Enrollment FAQ for answers to all questions -<https://www.bths.stjohns.k12.fl.us/guidance/dual-enrollment-sjrsc/>

Accelerated Coursework

- Not required by the state for graduation, but recommended by SJCSO
- Take an academy course and pass an Industry Certification Exam
- Take an AP or AICE course and pass the associated AP/AICE exam
- Take and pass a Dual Enrollment course with at least a C
- Enroll in our ROTC program for at least two years and earn at least a 65 on the ASVAB

- Schools are required by the State to place students in intensive reading if they score a level 1 or 2 on the FAST ELA Reading
 - Administration will review FAST scores during the summer, and students will be placed in an intensive reading course.

Intensive Reading

Grade Forgiveness

Students can retake classes in which they earn a D or F (if the class is offered on FLVS, SJVS, or Edmentum Credit Recovery)

All grades appear on the official transcript. Forgiven grades will still show on transcript but will not be included in GPA calculation

All grade forgiveness should be completed before senior year

Options for grade recovery: St Johns Virtual School, Florida Virtual School, and/or Edmentum credit recovery*

*Courses taken via Edmentum credit recovery will not count towards NCAA eligibility

If grade forgiveness is necessary, students should request an Edmentum or Virtual Lab on their schedule for next school year during their meeting with the counselor

Find your Pace

Do not sacrifice your mental health to take on more than you can handle!

If you want to go to college, you will. Don't worry.

Consider all your life commitments – work, extracurricular, etc.

Don't compare yourself to others.

JULY 22ND & 23RD 2026

Tentative Schedule preview in HAC (no changes can be made at this time)

Recommendations vs Requests

Current teachers make recommendations for next year's core courses and upper-level electives.

- Feel free to look at our Course Progressions on our Registration webpage to see our recommended core course sequence.

Requests are the electives students get to pick to complete their 7 total courses for next year.

How to view Course Recommendations/Requests in HAC

1. January 16th-21st: Log into student HAC account using student username and password, NOT parent's login.
2. Select "Classes"
3. Select "Request" tab
4. Any course that is teacher recommended has a lock symbol next to it and cannot be changed. If students feel they have been recommended for the wrong course, they should discuss this during their appointment.
5. Choose elective classes. Total number of classes listed should be SEVEN.
6. All courses that students can choose from are listed under the "Electives" tab.
7. To select a course, click edit on the department row and select the box next to the class or classes you wish to ADD. Then select SAVE.
8. Once there is a total of 7 courses, you are done!

Student appointments via English classes

- All rising 10th-12th grade students have been scheduled for a 5-minute appointment to sit down with their school counselor to go over course requests.
- Students are welcome to call their parent on speaker phone during their appointment, so that their parent can be part of the conversation.
- The schedule of appointments was emailed home.
- If a student is absent for their appointment, a pass will be sent to your student with the make up meeting date and time.
- If you do not have an English class on campus a pass will be sent to your student with your scheduled meeting date and time.

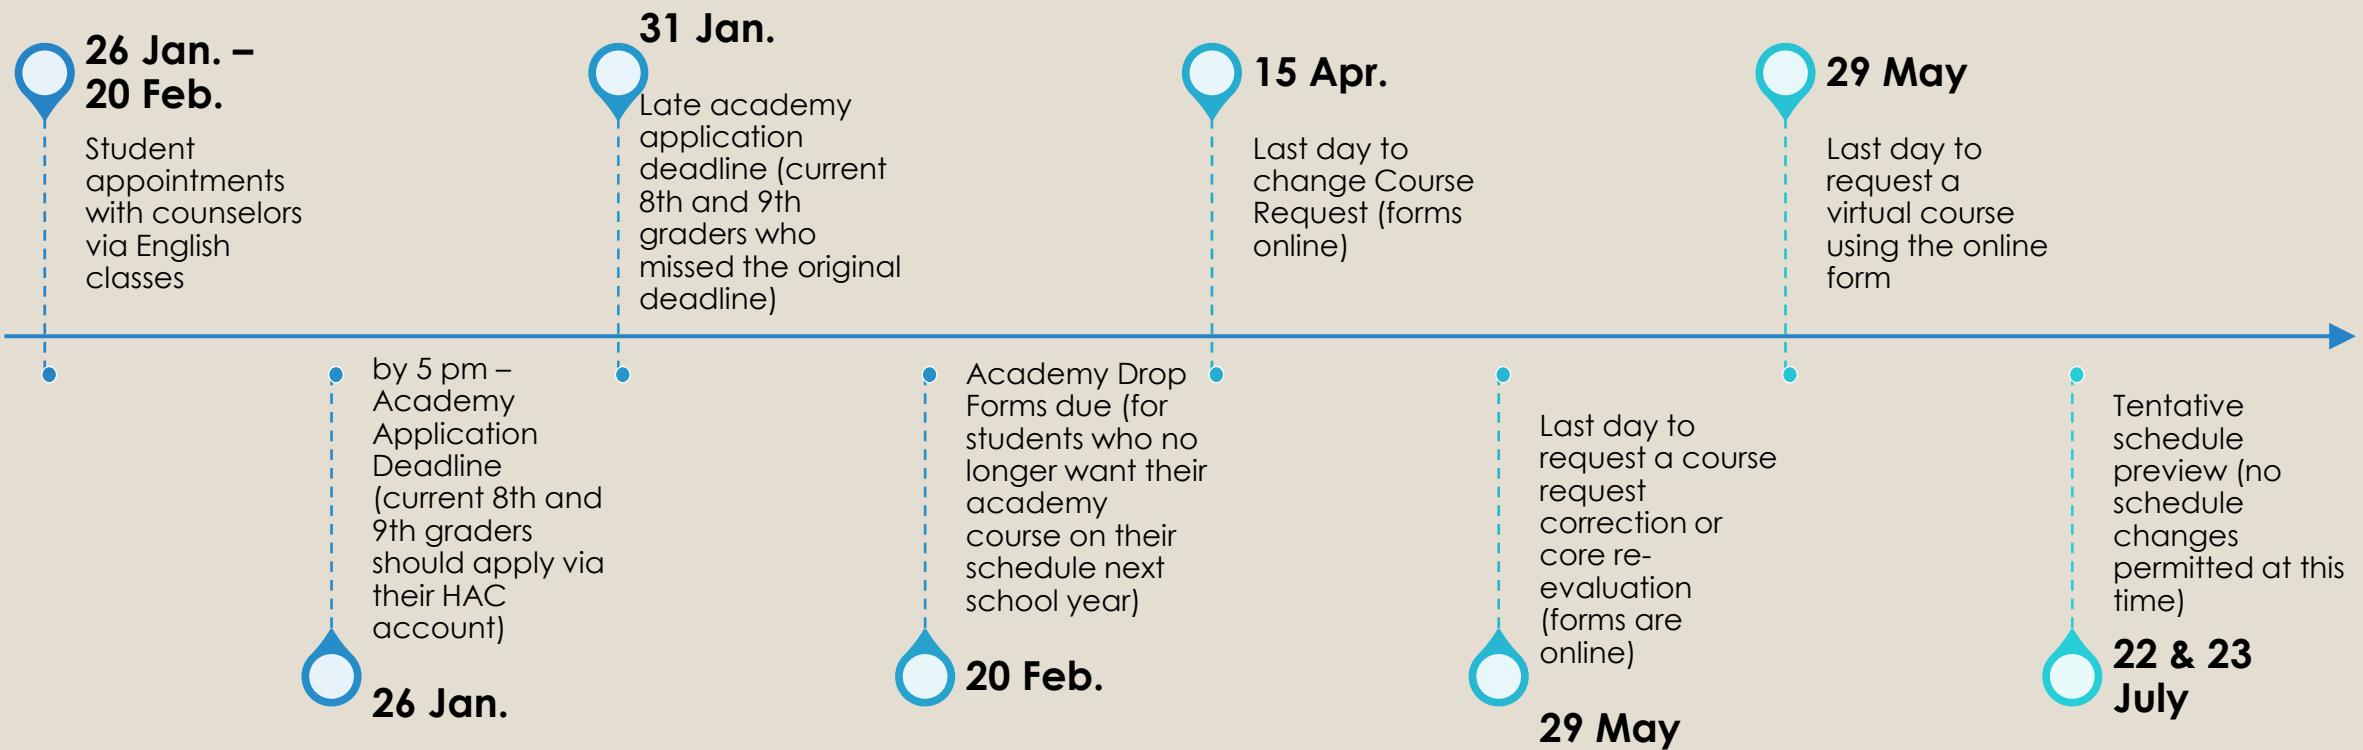

Request Changes & Schedule Changes

- Students can request the following changes when sitting with a counselor during their appointment:
 - Electives
 - Core Re-Evaluation
 - Virtual lab - deadline to request a virtual course with an August 10th start date via SJVS/FLVS is May 29th (last day of school)
- If changes need to be made after your registration appointment with your counselor, be sure to fill out the appropriate form on our website: [https://www-
bths.stjohns.k12.fl.us/courseregistration/](https://www-bths.stjohns.k12.fl.us/courseregistration/)
- There are **no schedule changes**, so make sure recommendations and requests are correct by May 29th (last day of school)

IMPORTANT DATES AND DEADLINES

Why the early deadline?

April 15th

- Course Request changes need to be submitted using the online forms by this date.
- After this date we build our master schedule based on what classes students have asked for and the district approves our staffing budget for the 26/27 school year.

May 29th

- Last day to request a Course Request Correction using our online forms.
- Changes after April 15th are based on seat availability, so there will be a high probability that these changes won't be approved.

FAQ's

- What if the student is sick on the day of the appointment?
 - Keep the student home, there will be make up days
- How do students know what electives are available?
 - There are listed in HAC. More details can be found here in the Course Catalog: <https://www-bths.stjohns.k12.fl.us/courseregistration/>
- What if the student doesn't want an elective they were recommended for?
 - Tell the counselor during the meeting and they can take it off, or fill out the online form
- Can the student request a specific teacher or lunch for next year?
 - No

FAQ's

- What happens if a student wants to take a lower-level class than the teacher recommended? Example: honors instead of AP
 - Tell the counselor during the meeting and they can change it, or fill out the form if the meeting has already taken place
- What happens if a student wants to take a higher-level class than the teacher recommended? Example: AP instead of honors
 - This can be discussed during the meeting with the school counselor. If a student qualifies for it, the request will be changed during the meeting. If student does not meet honors/AP criteria, fill out recommendation re-evaluation form; admin will review over summer.
- What if the student no longer wants to be in an academy elective?
 - Student will need to fill out the academy drop form with parent signature by the deadline
- Can current 10th or 11th grade students apply for an academy?
 - No

FAQ's

- What if the student wants to take a course virtually?
 - Students will need to request a virtual lab on their schedule during the appointment with the counselor AND request the course on FLVS or SJVS by 5/29. Student should enter August 10th as the start date of the course.
- What are the easy AP classes?
 - There are no easy AP classes. They are college level classes with college level expectations.
- What if a student changes their mind about a course after 4/15?
 - Fill out the only correction request, but keep in mind changes after 4/15 are based on seat availability.
- What if a student changes their mind about a course after 5/29?
 - It's too late, at that point all requests will be finalized for the schedule

FAQ's

- Can 9th and 10th graders get a reduced schedule, CO-OP (work program), or intern?
 - No
- Can 11th graders get a reduced/modified schedule?
 - Yes, they may have one modified period if they have four or more honors, AP, or dual enrollment courses.
- Can 12th graders get a reduced/modified schedule?
 - Yes, but we cannot guarantee they will get their choice of reduced (modified) periods
- Can 11th and 12th graders take Co-op (work program)?
 - Yes, Juniors and seniors who have at least a 2.0 GPA can take co-op. Juniors are limited to 1 period only. Students must submit pay stubs and work at least 5 hours per week, per co-op period.
- Who can be an intern (VPS)?
 - 12th graders with a weighted GPA of a 2.5 may have one intern period. Class earns community service hours, not credit.

Your To Do List...

Make your HAC selections by January 21st

Attend your scheduled registration meeting with your counselor and discuss potential changes then

If you change your mind on anything fill out the online form by April 15th
