

COUNSELOR CONNECTION

Counselors in March

9th & 10th grade counselors will be at the feeder middle schools in March to register our incoming freshman students for 2026-2027 school year. We are also continuing to meet with at-risk students to help them get back on track for this semester.

11th and 12th grade counselors are happy to be back in our offices after several weeks of registration appointments. We will be focusing on encouraging Seniors to finish graduation requirements and helping Juniors to remain focused on the remainder of this school year as they prepare for senior year.

xello FOR SENIORS

St. Johns County School District has partnered with Xello for students to track college applications, request letters of recommendations, request transcripts for college applications and so much more.

Xello works in conjunction with Common App.

Before students begin working in Xello, they should complete the following tasks:

1. Create a Common App account
2. Link their current high school
3. Add a school to the My Colleges list
4. Fill out the preferred start term
5. Sign FERPA Authorization Release

Scan QR Code for a walk through demo of Xello and Common App integration

*Seniors must also assign their school counselor in Xello. This is necessary for your school report (including your transcript) to be sent to the college/university.
