GRADUATION REQUIREMENTS

NON-COLLEGE REPORTABLE (NCR)

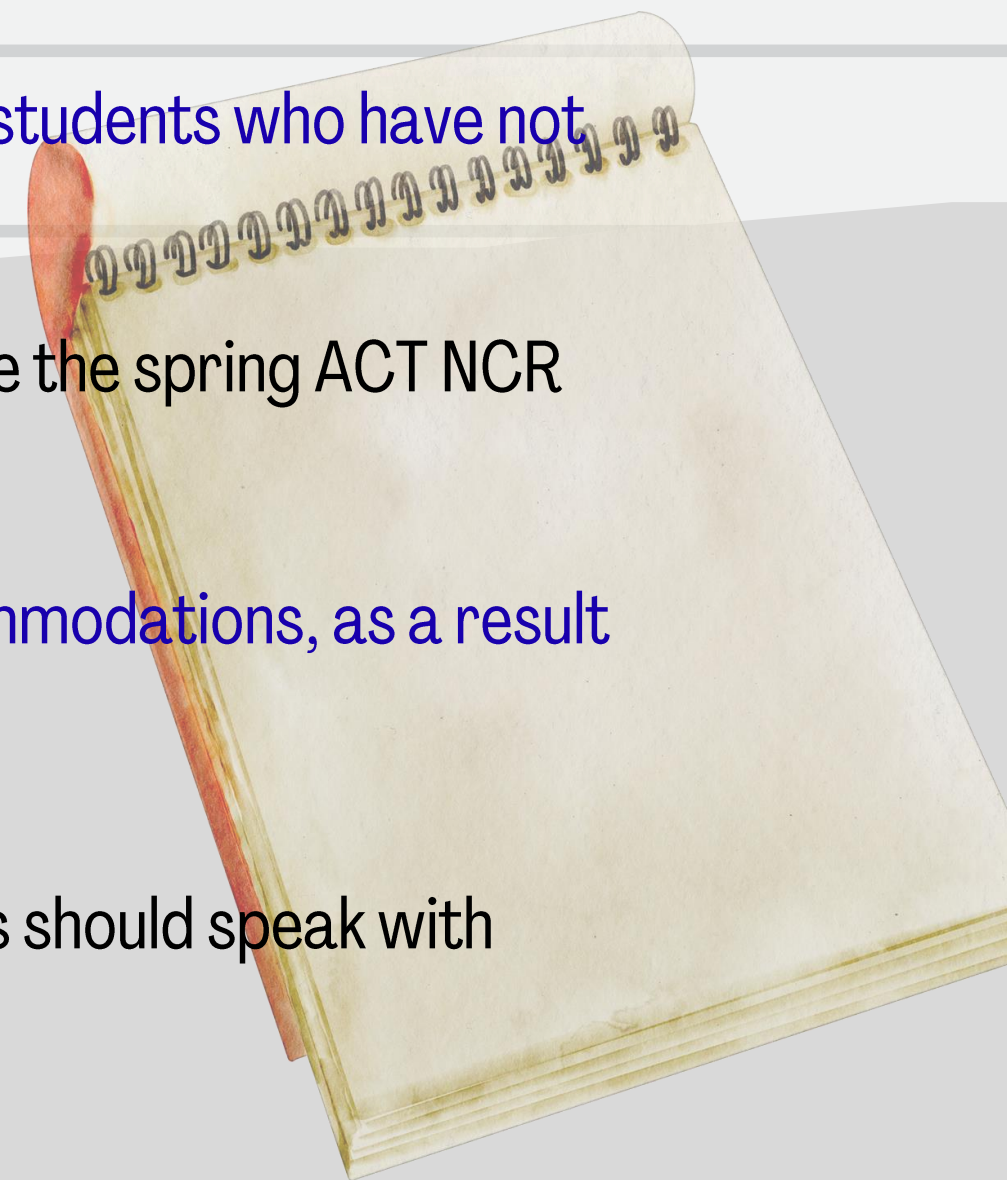

Non-College Reportables, also known as NCRs, are SAT or ACT exam scores that are NOT reported to colleges or scholarship agencies. NCR scores are used for state assessment purposes only.

NCRs are offered during the school day in the fall and spring semesters. These exams are for students who have not passed the FAST Grade 10 Reading or B.E.S.T. Algebra 1, which are needed for graduation.

Fall NCRs test dates are reserved for 12th graders only. 11th graders are currently able to take the spring ACT NCR only.

All students who take the NCR receive 1.5x extended time. Students who have additional accommodations, as a result of having a 504 plan or IEP, should register for a Saturday test date.

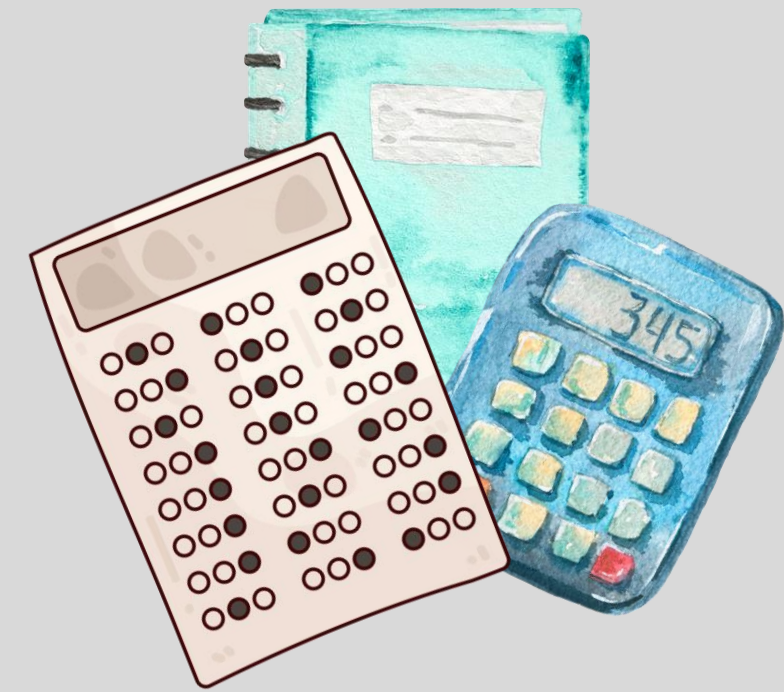

11th or 12th graders who wish to take an NCR must pay a test fee. Students interested in NCRs should speak with their Counselors.

PSAT/NMSQT

OCTOBER 21, 2026

The PSAT/NMSQT is offered to all 10th grade students each school year. 10th grade students do not pay to take the exam. 9th and 11th graders may register to take the exam, but a fee applies.

To learn more about the PSAT/NMSQT visit the link below:

[College Board PSAT](#)

The deadline for 9th or 11th grade students to register for the PSAT was September 14, 2026. 10th graders were automatically registered.

ACT SCHOOL DAY

FEBRUARY 2027

All 11th grade students are automatically registered for ACT School Day. Students do not need to pay a test fee, nor do they need to register in advance. Students in 9th, 10th, and 12th grades are not permitted to test on ACT School Day. More information about ACT School Day will be made available to 11th grade families in November.

ADVANCED PLACEMENT EXAMS

All students enrolled in an AP course on campus or through FLVS/SJVS will take an AP Exam in May. Students who meet this criteria do not pay an exam fee.

All students in AP courses are required to join AP Classroom for their respective courses. Joining AP Classroom registers students for the AP exam and orders their test materials.

BTHS assumes the cost of AP exams, which is \$100 per exam. Students who drop one or more AP courses after the AP Registration and Ordering deadline WILL incur a \$40 fee per course dropped. Students who need to late test or are absent on the day of testing are also subject to fees of \$40 or more. This fee is determined by College Board.

Students who currently have an IEP or 504 plan may be eligible for accommodations. The deadline to apply for accommodations on AP exams is January 15, 2027. If your student has not already applied and meets the above criteria, please submit your request [HERE](#).
