Dear Student:

I am writing to congratulate you on your performance on the 2023 Florida statewide assessment. Your results reflect your hard work and commitment to academic success.

As Commissioner of Education, I deeply value each student in this state. Florida ranks number one in the nation for education, and I am committed to maintaining this status and providing all students a world-class education. I encourage you to continue pursuing success along your academic journey.

Again, congratulations on this important accomplishment. I wish you continued success in the upcoming school year and beyond.

Sincerely,

Manny Diaz, Jr.
