Dear Parent/Guardian,

You are receiving this letter because your child has still not met the Grade 10 English Language Arts Florida Standards Assessment and/or Algebra 1 EOC graduation requirement. There are several opportunities to meet this requirement in the Spring Semester; they are listed below.

Test prep for the ELA assessment will be delivered through your child's intensive reading class, or you may email me to register your student for the after-school reading program held every Monday and Wednesday after the final bell. Tutoring to help prepare for the Algebra 1 EOC will be available Monday-Friday during all lunch periods in Room N219. Additional test prep resources can be found on the next page.

If you have any questions or concerns please feel free to reach out to me directly at nicole.mcmahan-vanmook@stjohns.k12.fl.us.

Thank you for your support.

Sincerely,

Nicole Van Mook
BTHS Testing Coordinator

Retake Opportunity	Who is Eligible to Participate	Testing Date	School Pay Link to Register
