Bus Policy

When we take busses to a meet, all athletes must ride with the team. If athletes plan to ride home with their parents, they must a.) complete their cool down procedures, b.) check out with their event coach, and c.) establish contact between Parents and the event coach first.

Adults may only transport their own students unless they have been approved as a [volunteer driver through the county process](#). This requires 100/300 auto liability insurance coverage and can take up to a week for completion.

Fundraiser Sponsorship Program: Goal/athlete \$200 (\$100 j.v.) Through Feb 26

Each athlete is expected to participate. These funds are for special projects and travel trips for this current season. Sponsors will be recognized, along with our senior athletes, in the meet program. But we are really looking for a few major meet day sponsors. Please consider speaking to your employers about being a valued member of the team!
