

Dear Parent(s)/Guardian(s),

Our School Counseling team has printed off Bright Future handouts specific to each of our **Junior and Senior** students. The **IMPORTANT** handouts provide students with individualized transcript information and their relation to the Bright Futures Scholarship. These handouts will be distributed tomorrow **(Thursday, March 14) through alphabetical homerooms at the conclusion of 3rd period/beginning of 4th period**. A reminder announcement about the distribution will occur before the end of 3rd period.

If your students has any questions about their handout, please refer them to their school counselor. [CLICK HERE>>](#) to visit the official website for the Bright Futures Scholarship and other State Scholarship and Grant Programs.

Thank you for all you do for Bear Nation and ENJOY SPRING BREAK! Classes will resume on Monday, March 25.
