

Dear Parent(s)/Guardian(s) of rising Juniors/Seniors,

As we prepare for next year, growth management is always a focal point of our planning process. Student parking on campus is one of those growth pieces that continues to evolve. **We anticipate over 3000 students on campus the for 2020-2021 school year.** We have utilized every possible location on campus to maximize student parking opportunities. **Next year, we will have 900 parking spots available to students and approximately 1,450 potential student drivers.** Please review the following resources below regarding our parking permit process for next year.

Please note that Dean Peaver will be visiting **ALL** current 11<sup>th</sup> and 10<sup>th</sup> grade English classes to discuss the process in more detail. He will also be providing a hard copy of grade specific documents.

**[CLICK HERE>>](#)** to visit the Bartram Trail High School Parking website or click on the following grade specific handouts below. Please review with your student prior to purchasing a parking permit:

- **[2020-2021 Parking Rules](#)**
- **[2020-2021 Senior Parking Info](#)**
- **[2020-2021 Junior Parking Info](#)**

**If you have ANY QUESTIONS, please have your **son or daughter** talk to Dean Peaver, in person, in the main cafeteria during their lunch**
