

Dear Parent(s)/Guardian(s),

As we transition into the world of online learning, we understand that a portion of students will need to access their locker to for books, binders, and other assorted items. **Please note that retrieval of said items may not be necessary to successfully complete online classwork.**

If your student(s) needs to access items from their locker, please click and fill out the following online form:

<<[LOCKER PICKUP REQUEST](#)>>

We will be distributing requested locker contents (ONLY) during the first ten days of April (April 1 – April 10). Please note that teachers have been informed of this distribution process and understand that students may not have access to their textbooks during the first two week of online instruction.

If you fill out the form, you will receive an individualized email about when and where to pick up your student's items within 3-5 business days. Please note that **ALL ITEMS** in their locker will be removed for pickup by a BTHS employee. **Students/parents WILL NOT have access to the school campus.**

We appreciate your patience in this process. If you have any questions or concerns, please email Assistant Principal, Mr. Trevor Abbs, at trevor.abbs@stjohns.k12.fl.us.

Stay safe Bear Nation.
