

Dear Parent(s)/Guardian(s) of the Class of 2020,

The St Johns County School District (SJCSJ) has been working with WJXT Channel 4, The Local Station, and Airstream Ventures to air all St. Johns County graduations as part of their Brightest and Best programming.

**The Bartram Trail High School virtual graduation will air on WJXT Channel 4 on Saturday, June 27 at 3:00PM.**

This will be another opportunity to highlight our seniors in addition to our virtual graduations that have already taken place.

Thank you for all you do for Bear Nation!
