BTHS Schoology Look Fors:

1. All teachers will be posting an agenda for the week by Monday of each week.
2. All assignments will be posted to the calendar so you can see when everything is due.
3. All materials will be organized in folders within the "Materials" tab, titled by the week. The current folder will be at the top of the list.
4. Distance Learners be sure to look out for the Attendance Form in each of your Schoology courses. This is how attendance will be taken in each course.
