

Dear parent/guardian(s),

Medication Drop Off

Medication drop off will be **available by appointment only August 11th (2 PM -4 PM), August 12th (9 AM – 3 PM), and August 13th (9 AM – 3 PM).**

Please review the available slots below and click on the button to sign up. If you are unable to drop off medications during these times, please contact the clinic to reschedule. Contact number is located at the bottom.

[CLICK HERE](#) to sign up.

Please Note:

****All emergency medications require medical management plans signed by a physician.****

****Daily medications require a medication authorization form signed by a physician.****

****As needed medications require a medication authorization form signed by a physician. This includes non prescription over the counter medications.****

- Students are allowed to self-carry non-prescription over the counter medications with a self-carry form signed by parent. Self-carry forms must be turned in to clinic.
- Any prescription medication turned into the clinic must be in original container with valid prescription label.
- Please check expiration dates on containers and labels. Expired medications will not be accepted by clinic.
- Medications will not be accepted at drop off without proper forms signed by a physician. All forms are available for download at the bottom of Bartram High School home page, link is provided below. If you have any questions please contact the clinic.
