

Dear Parents,

Just a reminder about upcoming FSA/EOC testing. ***The state testing window is September 13-October 1.*** All testing will take place in our Main Media center each morning at 9:20 AM. Students will receive passes that will let them know their exact date and time for testing. Students who have not completed required testing or need to make up a test, are automatically scheduled to test, you do not need to take any action to sign your student up.

Your child's FSA ELA and EOC scores from last spring are available in HAC, please visit the links below for specific testing information.
