

Dear Parent(s) and Guardian(s),

This upcoming Wednesday, March 9, our School Counselors are hosting our 3rd annual BTHS College and Career Fair. The College and Career Fair will take place in our gymnasium throughout the entire day. Freshman, Sophomore, and Junior students will join us at the fair during their scheduled science class. Seniors will come if they have a special pass from their school counselor.

Please note that this event is for STUDENTS ONLY. This provides them with a ***great time to explore college and career opportunities***

Over 150 college, university, military, vocational, and career reps were invited to this event. Please review the attached list of post-secondary institutions who have told us they are attending Wednesday. The reps will arrive on campus starting at 8 am, so please note traffic may be a bit heavier than normal Wednesday morning.
