

Dear BTHS Parents,

As Spring approaches, so does Testing season at BTHS. Please note that we provide pertinent information on the Testing Department web page to include testing schedules for FSA, EOCs, District, and AP testing. Please take a moment to browse through the links below to become more informed about upcoming testing.

In addition to all the information you will find on the Testing Department web page, please review tips for success provided below:

#### Tips for a successful testing session

- Be prepared
- Be well rested
- Eat a good, healthy breakfast
- Arrive ON time
- Bring two #2 sharpened pencils with a good eraser
- **Please** DO NOT schedule appointments during a testing session. If your student is checked out during a testing session, the test will be invalidated.
- **A reminder that all District and State testing must be administered on campus, remote testing is not an option**

Thank you for your continued support. Have a great rest of the school year!
