

WELCOME BACK TO SCHOOL

A WELCOME MESSAGE FROM YOUR SCHOOL COUNSELORS

Dear Bartram Bears,

Welcome Back to school. We hope you had a relaxing summer break and are excited to begin the 2024-2025 school year. Whether you are a Senior, Junior, Sophomore, or Freshman, each of you has academic and personal goals. As your School Counselors, we are here to assist you along your journey.

We are hopeful our school webpage, Schoology posts, and monthly newsletters will provide regular updates and important information for students and families. We welcome the opportunity to answer questions and become more acquainted with you. Students may visit with Counselors during lunch, or by making an appointment.

As you start the new school year, plan to make this your best year. If you do not belong to a club or sports team, seek to join one. If last year your grades were mediocre, strive to do better. If your friend group does not add positively to your life, make one new friend. If you see something that is not right, take a step towards making it right. Overall, only YOU have the power to make this YOUR best year because YOU control your mind and actions.

We look forward to working with you and supporting your endeavors.
