Happy Wednesday

Today is constitution day across the United States! this federal holiday commemorates the signing of the US Constitution on September 17, 1787. The constitution created the structure of our government. It is the most important document in our country's history and one of the most significant documents in world history.

We celebrate constitution day because that historic document along with the Bill of Rights created the first government that was created by and to serve its people. We celebrate this day, not only for the history behind it but the role it serves in the lives of all Americans.

Now Let's get into sports...

today we have JV football... JVB is against Bishop Kenny at 5:30. And JVA is against Camden County at 6:30. While Boys golf is at the squire County tourney at 11:30

The new Paw Pass gets you free entry to ALL home games. Grab one through the BT Athletic Leadership bio on Insta

Need service hours?
