 Good morning Bears, and HAPPY FRIDAY! 

Let's kick it off with some wins — our **Girls JV Soccer** team took the **W last night!** Great way to start off this season!!  

Beta Club is getting in the Thanksgiving spirit early with their *first annual food drive!*  Bring your canned goods to **room 720** by **November 17th** — every item = **1 service hour**, so clean out that pantry and do some good! 

The **Social Studies Department** is also hosting a **food drive** up until **November 14th**— drop donations in **Mrs. Braun's room 625**. They need **canned goods, baby formula, diapers, and pet food**.

 **Bartram Trail Theatre** presents *The Night of One Acts* — it's happening **TONIGHT through Saturday!** That's **two shows, one night, and tons of fun**. Tickets are \$10 online, \$15 at the door, and

worth every penny. Go laugh, cry, and maybe question your life choices

And don't forget their **Spirit Night** this **Saturday at Jersey Mike's in Rivertown** from **4-7 PM**. Grab a sub, support the arts

 Big shoutout to **Girls Weightlifting** who CRUSHED their meet Wednesday — tons of PRs, and **Ava Myers** absolutely destroyed it with a **185 clean and jerk!** Huge Congrats to her!

 And Monday, head to **Chick-fil-A on San Jose** for the **Voice of Bartram Spirit Day!** From **6 AM to 8 PM**, 20% of sales go to help funding **new uniforms** — but you've gotta say "*Voice of Bartram*" when you order. Drive-thru only, so roll up, grab your nuggets, and help the squad look fresh! 

The next ACT testing date is scheduled for 12-13-25. The deadline to register is today 11-7-25. This is a paper and pencil test and a few spots are left. Don't miss the deadline so register soon.

That's all for today Bears — make it a **fantastic Friday** and keep that energy high!   

and remember bears don't follow the trail they make it!
