

Announcement 8/17/26

Happy Monday, Bears! We officially made it through the **second week of school!** Let's kick off the week with your Monday sports!

First, let's talk about Friday night's preseason game! Bartram had an awesome night, with a **tie against Flagler Palm Coast AND a huge WIN against Fleming Island, 28-3!** That's one way to start the season, Bears! 🐻🏈

There will be a Girls Soccer interest meeting on Monday, September 16th at 3:00 PM, followed by an open field from 3:30 to 4:30 PM. Anyone interested in playing should plan to attend and make sure all athletic clearance paperwork is completed.

And don't forget, Bears—**THIS YEAR ALL home sports games are free to enter EXCEPT Varsity Football!** All you need to get in is your school ID. So basically... no excuses. 😎

Speaking of Friday night football, every Friday home game from 5:00 to 11:00, August 14th through October 30th, head over to Jersey Mike's across the street to help support our athletic boosters! Check out BT Athletic Leadership's Instagram for more information.

Also on our Instagram, make sure to vote **Bartram for the 2026 High School Girls Cross Country Team!** Show our Bears some love!

And Bears, **VyStar is open TODAY and will be here every day this week** to help you get set up. If you stopped by their table during open house or want to start saving, make sure to bring \$5 to open the account, your Social Security number, and a school ID or driver's license.

Auditions for **Shrek The Musical** are August 18th! You can sign up outside Room 228 next to the auditorium.

Theatre is also looking for tap dancers to join the production with a lower-commitment schedule. See Ms. Rigon for more information.

This is Caleb.

And Croix . And remember, Bears don't follow the trail.
They make it.
