

Announcement 8/18/26

Happy Tuesday Bears!,

Looking ahead to this week, we've got plenty of sports to get excited about! Volleyball takes on Fletcher tonight at 6:00 PM, then takes on Middleburg Thursday at 6:00 PM. On Friday, football has a game against Tocoj at 7:00 PM, while Cross Country competes in the Cecil Field Summer Classic! So come out, support our Bears, and let's make it another great week for Bartram Trail athletics!

And remember, Bears: THIS YEAR, all home sports games are completely free to get into with your student ID—except Varsity Football. That's right, zero dollars. Your bank account is safe, so you literally have zero excuses not to show up and be loud.

But if you do want to spend some cash for a good cause, every home game Friday from 5:00 to 11:00 PM (until October 30th), head across the street to Jersey Mike's to support our athletic boosters! Check out BT Athletic Leadership's Instagram for all the details.

Speaking of boosters, are you still staring at a tragic zero on your volunteer log? The BTHS Athletic Boosters need help with apparel! Scan the QR codes on the flyers around campus or check out their Instagram to sign up and grab those hours.

The Girls Soccer interest meeting is at 3:00 PM September 16th immediately followed by an open field from 3:30 to 4:30 PM. Just make sure all your athletic clearance paperwork is done first

Listen up class of 2027 Next Monday, August 24th at 8:45 AM sharp, head to Ms Hester's Room (N218) for the Women of Bartram and Senior Men officer interest meetings!

And finally if you're still listening, VyStar is open every day this week to help you get your financial life together. Bring \$5, your Social Security number, and your school ID or driver's license to open up an account.
